This quiet, wooded lot in Western Albemarle is updated inside and out! With a new roof with skylight added in 2020, nearly new appliances, new 3.5 ton heat pump and crawl space with vapor barrier, this home is almost maintenance free! You'll love the hardwood floors and wood-burning fireplace in the great room. Watch the deer from the year-round sun room with portable heat pump, or enjoy a glass of wine on the rear deck. The partially finished basement with full bathroom could be converted into a guest suite or apartment or could just provide extra living space. Two outbuildings on property include insulated maintenance shed with electricity and separate wood shed. Located minutes from Afton wineries and breweries! Great rental property!
